Thump, thump, thump! Little

on his back

Arjun sees a very tall flower. It
is a bright yellow sunflower.
"Oh!" says Arjun. "You are taller
than me

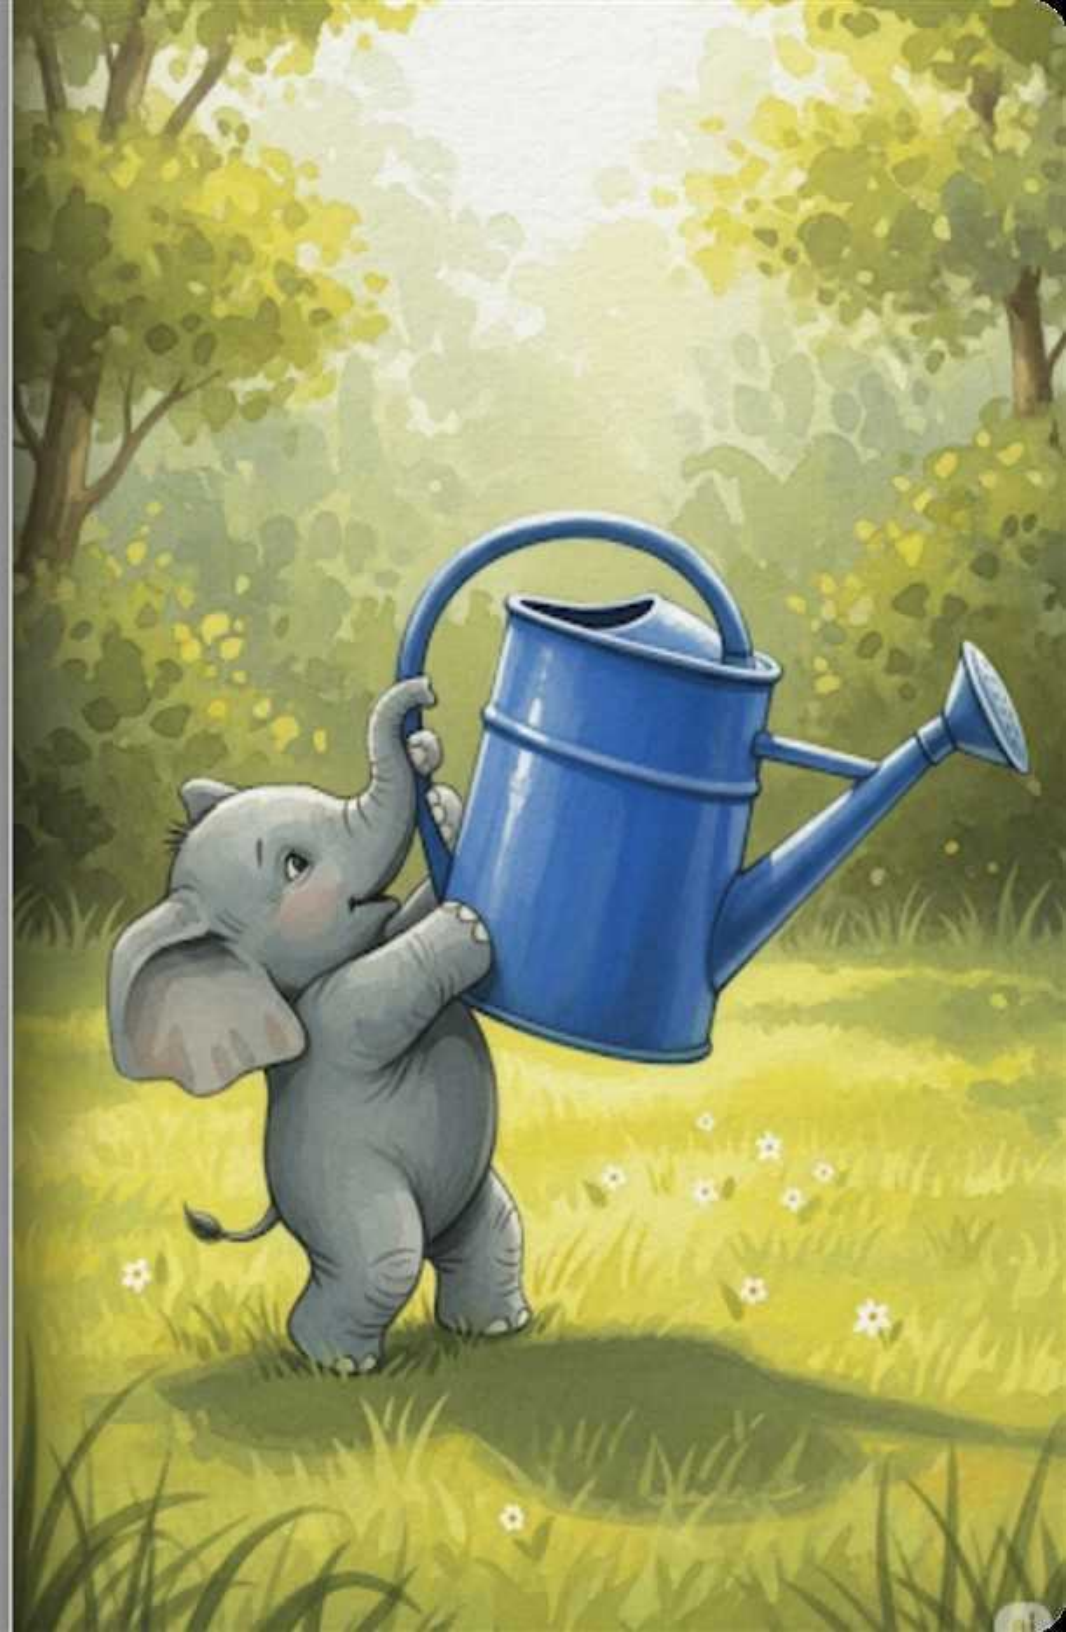

A little rabbit hops out from
behind a leaf. "Hello!" says the
rabbit. "I am Pip. Do you want
"?to play

Pip points to a big blue watering
can. "The flowers are thirsty,"
says Pip. He wiggles his little
.nose

Arjun tries to lift the watering
can with his trunk. It is very
heavy. "Ugh!" says Arjun. He
.pulls and pulls

Momo the monkey swings
down from a garden fence. "I
can help you!" says Momo. He
grabs the other side of the
.handle

Momo and Pip tip the can over.
Splish, splash, splosh! The water
makes a little puddle on the
.ground

Flit the bird chirps from a tree
branch. "Tweet, tweet!" She flies
.down to see the wet flowers

The sun begins to set. Arjun and
Pip are tired from playing. They
snuggle in the soft grass.
